July 2026 Issue

BOARD MEETING August 11 – 6:30 p.m.

We are considering a Trunk or Treat Event in October and hope to have sponsors for it. Bring your ideas of who should be contacted. We will discuss what this event will entail.

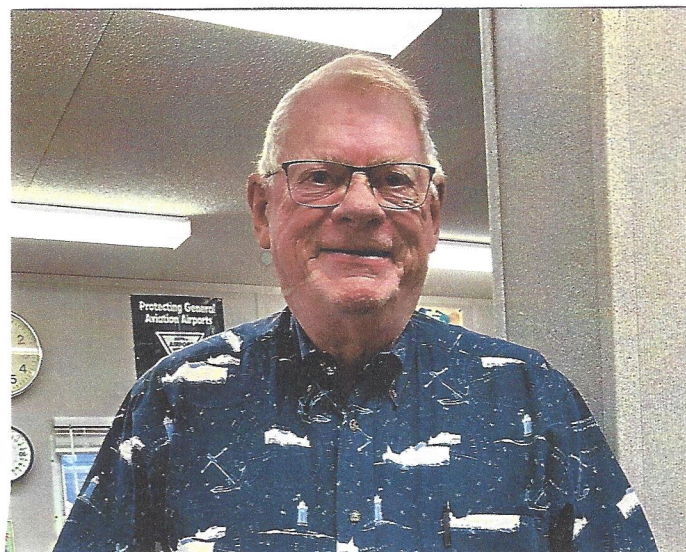

COOKOUT/GET-TOGETHER August 15 – 5:30 p.m.

We will be featuring fried chicken this month. Join your aviation friends for a good meal, relaxation and enjoyment. If you can bring a side dish of some sort to go along with fried chicken, that would be dandy. We should have nice weather and a nice evening so put the date on your calendar and plan to arrive by 5:30.

WELCOME TO HCAA

We are pleased to introduce a recent new member – DAVE BLAIR. Dave joined when he attended the PI Day event in March. He is not new to the operations of HCAA though. He was one of the volunteers at our LATA event last year. (Thanks, Dave.)

He is the father of long time member Reed Blair. He lives in Danville and is retired. Welcome, Dave!

I tried to come up with a carpentry pun that woodwork. I think I nailed it but nobody saw it.

5 Tee Shirts Available

There are five HCAA tee shirts available on a first come, first gets basis. Two are a light gray color in sizes Large and Extra Large. Three are a lithe tan color in sizes Medium, Large and Extra Large. They will be on the coffee table in the office. (A nice quality shirt.) Cost – a donation placed in the cash box by the simulator.
