Board Notes (Contd.)

New business:

The new representative from **the Indpls Airport Authority** in charge of reliever airports reached out to Kenzi to discuss the HCAA. The club brought up a list of questions to be asked at their meeting. Examples:
Is there a plan to replace the trailer with a new terminal building?
Do they have a Capital Plan that they could share with us?
What is the timing of a runway extension?
Do they have any concerns about us having Lunch at the Airport next year?
Is Lyft coming to Hendricks?

Club **picnic** is the evening of Oct 17th. Chili cook off night.

Maintenance Concerns:
Rust on pavilion
Roof ok?
Trim work needs painted

Christmas Party:
Friday, December 4th at the airport. As the club did not host Lunch at the Airport there has been minimal club income. To conserve funds dinner will be a pitch in at the airport with the usual gift exchange.
