

HCAA NEWSLETTER

Board Meeting Recap

As always we opened with a prayer and the pledge of allegiance!

Treasurer reported \$5,708.83 at the end of 2022, just 75 short of where we were

at the end of 2021. This is great considering we were able to support more aviators within the last year!

We discussed several ideas for the upcoming year! See below for more information on those!

LENDING LIBRARY FOR STUDENT PILOTS

We are looking for donations to loan to new students to help reduce the cost of learning to fly for new students. We are currently looking for the following items:

- Gliem 2023 Private Pilot FAA knowledge test book
- Private Pilot Oral Exam Guide
- Instrument Pilot Oral Exam Guide
- Current FAR/AIM
- Foggles and/or Hood
- Out of date sectionals (to be used for instructing/practice)

If you have any of these items to donate, please contact Amy, Allison, or Vern to donate!

NEW PROPOSALS

Jeff will be researching the cost to purchase a new flight simulator. Stay tuned for more information on this! If you have any proposals or ideas for 2023, be sure to attend our next meeting on April 11th at 6:30!

PI DAY

Pi day was a huge hit! We had 48 pies total including pizzas, pies, and even mini pies. This was a new record! We had 3 new members join us. There were about 32 people total including 6 kids! It was nice to get together in the building, as it was very cold outside. A few brave souls ventured outside to play in the snow, but the rest of us were content chatting and enjoying the warmth inside!

See page two for the dates and times of the cookouts for the duration of the year.

There are 4 bunnies hidden throughout the newsletter! See if you can find them all, if you can you get bragging rights. Happy April!

EVENTS

- Next Board Meeting - April 11th at 6:30pm
