

November 2023

NEWS LETTER

Lunch at the airport was a huge success! We made around \$1,000. With our goal to further aviation and not just to make money, we were very excited about the turn out and we are looking into ways to make next year's event even more successful. If you have any suggestions, be sure to attend our November meeting! The club balance is currently \$5,191 after the recent contributions from LATA and all expenses paid.

We have had 2 cookouts and 2 board meetings since the last publication of the HCAA. We will wrap up this year with a board meeting on November 14th and a cookout the following Saturday.

The simulator has been another successful venture this year. We continue to have contributions towards the upkeep. If you have not yet checked out the simulator, be sure to do so.

A lot has happened over the last few months with HCAA! Be sure to look through the photos and see if you find yourself or someone you know!

If you have questions about anything, please don't hesitate to reach out!

Wilma recently celebrated her birthday! Wilma has contributed so much to HCAA and all of us we would like to wish her another happy, healthy year ahead!

This year's Christmas party is scheduled for Dec 1 at 6:30 at Martha's Orchard. We are planning to keep the price at \$15. Be sure to RSVP if you are planning to attend!

November 18 at 5:30 will be our next get together. We will have pizza and games at inside at the airport!
